TOWN EMPLOYEES NOW ENJOY SOCIAL SECURITY

In accordance with the vote at a recent special town meeting, employees of the town of Bethel are receiving social security benefits effective April 1. Installation of a street light near the West Bethel Broad crossing was also approved at that meeting.

Mrs Earl Davis will be the directional leader at the next meeting to be held in the church on Nov. 10.

Refreshments were served by the ladies, assisted by her two granddaughters, Frances and Lillian, on the birthday of Mrs. B. B. (Lillian) Davis. Mrs. Earl Davis and Mrs. Phillips were also present.

The winning team for the game included Donna Sue, Mary Ellen, Richard Wade, Rick, Mike McMillan, Mike Brown, Jean Waterhouse, Elizabeth Jackson and Laverda. Catherine Park girl on this team received a Browne prize. The next meeting will be held at the home of Mrs. George Parsons with Lois

A prompt physical examination will help to detect cancer early and strengthen your life-line. See your doctor today.

Stanley Doughty of West Paris is one of the twenty-five candidates drilling for a place on the City College baseball team.

"Jack" Currier of South Paris, who recently celebrated his 100th birthday, was further honored when he became a great great grandfather upon the birth of Hattie Allen of Mechanics Falls.

It is indicated that work on the new Virginia school building in Hamford will be underway soon. The cost is estimated at \$25,000.

Joseph J. Jacques of Oxford, native of Quebec, was a music in Hamford last Saturday. He was 80 years old and a weaver for many years.

Members met at the Primary rooms Wednesday with the leaders, Kaye Elames and Rachel Brown. Fifteen members were present. Eileen Smith made the prayer. Sister Daniel, Mrs. J. W. Hobbs, Worcester, Mass., formerly of Mayville and the first Aid Kits were completed.

All men over 40 should make an unbreakable rule of having an annual and thorough physical examination. If any unusual bowel or urinary change were reported to the physician promptly, much cancer of the colon and prostate gland could be diagnosed in time.

Any unusual skin changes or sores that does not heal in a normal length of time should be reported to the physician. It may not be cancer, but it **is** not that one's cancer. Do the patient and his doctor. If it is cancer, time is important. A prompt physical examination will help to control cancer. Strengthen your life-line five years today.

TODAY'S meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, April 10

This is my body which is given for you. (Luke 22:19.) Read John 11:20-27.

THIS story is told concerning a passenger train that one night was making its regular run towards London. It had rained all day. With the coming of night, a dense fog had settled over the countryside. Suddenly the engineer saw ahead a black figure frantically waving its arms. He applied the brakes. The train screeched to a halt. A conductor investigated and found that a railway bridge had collapsed in a swollen stream.

A search was made for the one who had saved the lives of all the passengers, but nowhere could any person be found. Then the engineer, upon examining the headlight, came upon a strange sight—a large moth, with wings outstretched, lay

dead upon that light. Its shadow had given the warning.

This incident of the moth may be likened to Christ's love for mankind. It has been Jesus Christ, with arms outstretched on the cross of Calvary, who has saved the lives of countless thousands down through the centuries.

Prayer

Dear God, we earnestly pray that Thou wilt give us strength and courage to live triumphant, Christlike lives. When Thou dost call us home, may we have left reflections of Thy love and mercy that shall guide and direct many into paradise with Thee. For Jesus' sake. Amen.

Thought For The Day

"There is none other name under heaven given among men, whereby we must be saved."
